

# The Financial Strategy Report Email file

## NEW TO THE MARKET

### Description:

The Financial Strategy Report is a premier report for consumers who want to get more of their income and create long-term wealth for a more comfortable future and enables personal financial freedom. It teaches and guides the consumer through the tough questions while helping them decide what type of investments they should have.

The report is published monthly and sent via email about strategies to create, build and maintain wealth.

This report consists of:

- The Most powerful investment strategies
- 100 Most powerful Financial Strategies.
- How to build a million dollar retirement fund
- How to legally carve huge chunks off your tax bill

The company also includes, The Financial Toolkit, an online investing service using customized charts and real time quotes. It allows you to choose from a variety of stock reports, market research and individual stock alerts enabling you to track changes in the market place and your portfolio. This ToolKit cost \$99.95.
