

Global Energy Investors

Newsletter Subscribers

Description:

These investors are subscribers to a global energy newsletter focusing on small or micro cap stocks in energy markets.

With the current change in the economy, these savvy investors are always looking for new and exciting investment opportunities. They are extremely aware of the geopolitical and economic events that have created the current energy market.

Subscribers are active seniors, age 55+, who have investment portfolios in the \$250,000+ range, and are active responders to direct mail campaigns for aggressive investments.
